

E-Quality issues are planned according to topical themes. Non-theme contributions are also accepted, but articles related to a forthcoming theme are more likely to be accepted. If you'd like to contribute an article on the themes scheduled for 2009, please submit a query letter or the article to the editor (jcolund@cbeinternational.org) by the "Query Due" date. Themes and deadlines may be adjusted, so please check the E-Quality website (www.e-qualityjournal.com) or contact the editor (jcolund@cbeinternational.org; 612-872-6898) for the most current information.
